## ENGINEERS REPORT OF THE SUNAPEE FIRE DEPARTMENT

In 1953 the Fire Department answered nine box alarms and ten still alarms. We had two bad fires, both were insured.

In August we received a new truck built by Farrar and Co. to replace old Hose 1 truck, and we are very pleased with it.

Our new fire station is nearly completed and our apparatus is in it. Although it cost more than we anticipated, we have an up-to-date, nearly fire proof building, of which the town may be justly proud.

We wish to thank everyone who helped us on this building by donating time, labor and material.

The walls and floor of the Library basement have been water proofed. We have always had water seep in through the walls and stand on the floor until it evaporated causing dampness and odor in the building. Now we have good storage for State reports and books seldom used. This really is a big improvement.

Through the generosity of Mr. and Mrs. Morgan Gilbert we have been able to add many new books to our Library and to improve the quality of many of the standard juveniles.

Visual Acuity Tests — Dr. Benson		190

In January and February the dental clinic sponsored by the Sunapee Women's Club was completed at the office of Dr. Poullos.

The health of the school was very good during the past year except for an epidemic of mumps and severe cases of colds.

The greatest single defect found in the school children is lack of dental care. The condition of the teeth of Sunapee children is very poor. It is only through the interest of the parents that this condition can be improved

During the month of August the local nurse was relieved by Miss Edith Leone.

I wish to express my appreciation for the cooperation received during the past year from all who are interested in the Nursing services to the community and the school.

Respectfully submitted,

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sunapee:

I submit herewith my sixth annual report as Superintendent of Schools.

### ENROLLMENT

The enrollment for the school year 1953-54 is 225 divided as follows:

Elementary grades (1-8)	167
Senior High (9-12)	58

This total enrollment represents an increase of 32 students over last year's figure. The greatest increase (approximately 100%) came in Grade 1. We now have 37 pupils in Grade 1, whereas a year ago there were 17 enrolled in that grade. Pupils in grades 1-7 are divided into five (5) elementary rooms.

### SCHOOL PLANT

Several photos of the new facilities are included in this year's report. This added plant, together with the modernization of the original building, now place the school plant in very good condition. The fluorescent lights and modern heating system have added tremendously to the efficiency of the school. The citizens of Sunapee are to be commended for their willingness to improve the physical plant of the school.

Special maintenance projects carried on in addition to the regular summer program of the custodian include: refinishing of desk tops in one high school classroom, "black-topping" the area around the new addition, and painting the exterior of the Principal's house.

### TRANSPORTATION

New three-year bus contracts were made with both Mr. Arthur Nutting and Mr. Robert Wiggins. The route of Mr. Wiggins to Georges Mills was extended to Fernwood to accommodate several students now living in that section.

### SCHOOL BOARD ACTIONS

Rental fees for the use of school facilities by outside groups ( when not conflicting with school activities ) have been set as follows:

- Auditorium - \$8.00 per session, with janitor service provided.
- Auditorium - (for rehearsals only) \$2.50 per session - without janitor service.
- Cafeteria & Kitchen - \$15.00 per session.

### NEW EQUIPMENT

The major items of new equipment - in addition to the equipment for the new addition - include:

- 35 Desk and Chair Units for Grades 6 and 7
  - 1 Four-drawer File for the Commercial Department
  - A New Electric Adding Machine - replacing an old hand-operated model
  - A New Movie Screen
  - 45 Master Padlocks for Athletic Lockers
  - A Set of Emergency Lights (for the Auditorium - to comply with the law for places of public assembly)
- SUPERVISORY UNION NO. 43

Since 1937, the School Districts of Newport, New London, Springfield, and Sunapee have comprised Supervisory School Union No. 43. However, by action of the State Board of Education, the Croydon School District will be added to this Union as of July 1, 1954.

The State Board of Education has established the position of Helping Teacher for this Union, together with five other large multiple-District Unions throughout the state. This position was approved for next year by the combined Boards of Supervisory Union No. 43 at their Annual Budget Meeting held last December. (Next year Supervisory Union No. 43 will have seventy full-time and two part-time teachers, as well as school nurses, custodians, bus drivers, cafeteria workers, etc.)

The work of the Helping Teacher is aimed to assist the regular teachers in carrying on most effectively in the classroom. This could include help with testing, interpretation of test results, teaching techniques, supplying teaching materials, correlating the curriculum, working particularly with beginning teachers and helping with problem pupils. Briefly, the person holding this position will be working with the other school personnel to improve the general learning situation.

#### STUDENT INSURANCE

A group plan of pupil accident protection was approved by the School Board and offered to parents at a cost of \$1.25 per school child. This provides broad protection to pupils against bodily injuries at school, or on the way to, or from, school, and during supervised school activities. It covers all supervised sports programs with the exception of football.

The response to this insurance was greater than anticipated. Approximately 70 per cent of the students in the entire Union have this coverage for this school year.

#### CONCLUSION

I wish to express my appreciation for the cooperation received during the past year from the school staff, together with the loyal support of the School Board, and the continued interest of the other citizens in the welfare of the school.

Respectfully submitted,  
GORDON B. FLINT  
Superintendent of Schools

## REPORT OF THE PRINCIPAL

Superintendent Gordon B. Flint  
Newport, New Hampshire

Dear Mr. Flint:

Commencement Exercises for Sunapee High School were held on June 18, 1953. There were eleven graduates: Judith Anderson, Dudley Colcord, Robert Collins, John Digilio, Bruce Gregory, Herbert Holmes, Ronald Leone, Lorraine Rollins, Howard Ross, Elizabeth Shepard, and Emily Von Dreden.

Recipients of prizes and awards at the Class Day and Graduation Exercises were as follows:

Balfour Plaque. To the member of the graduating class who, in the opinion of his or her classmates and the faculty, has exhibited outstanding qualities of citizenship, loyalty, and achievement.

Howard Ross

Babe Ruth Foundation Award. To a boy and girl member of the graduating class who has exhibited outstanding qualities of sportsmanship in the school, home, church, and community.

Robert Collins and Lorraine Rollins

Bausch and Lomb Award. To the member of the graduating class with the highest average in scientific courses.

Herbert Holmes

Becker Junior College Award. To the member of the graduating class who excels in Commercial subjects.

Lorraine Rollins

S. A. R. Medal. To the member of the eighth grade who has the best citizenship traits.

Bonita Gilchrist

Murvin A. Bailey Award. To the member of the graduating class who, in the opinion of his or her classmates and the faculty, has shown those qualities which are essential for good citizenship.

Howard Ross

Five members of the graduating class are attending the University of New Hampshire. One is attending Concord Business College, one Northeastern Business School, and one Westbrook Junior College. One is in the Air Corps, one is working for the Public Service Company and one for the New England Telephone and Telegraph Company.

The addition of two classrooms and the cafeteria which was ready for use on November 1 has been a tremendous help to the students and teachers of Sunapee. I hope that any interested citizens, who have not yet had the opportunity to inspect the addition, will take time to do so - - it is something of which we can all be justly proud.

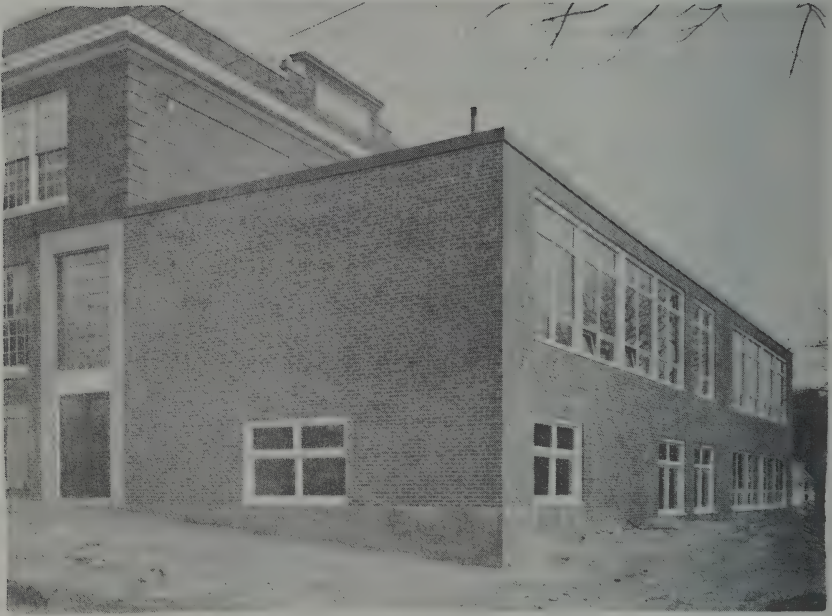

There were no major changes made in the curriculum this past year, but we are at present working on several proposed changes to go into effect in September, 1954. The law now states that all students must attend school until they reach the age of sixteen. In view of this change, I feel that the range of subjects offered in the first two years of high school is inadequate. As yet we have not arrived at any concrete proposals, but we hope to do so shortly.

The Sports Night Banquet sponsored by the Sunapee Fire Department has now apparently become an annual affair. The members of the fire department are certainly to be congratulated for the fine manner in which these banquets have been handled. I hope that some other group will see fit to organize a similar program for the girls.

Before closing I would like to mention the excellent cooperation that I have received from Mrs. Rollins, our District Nurse. Her knowledge of the community and the advice she has been so able and willing to give, have been of inestimable value to those of us concerned with teaching and administering the school.

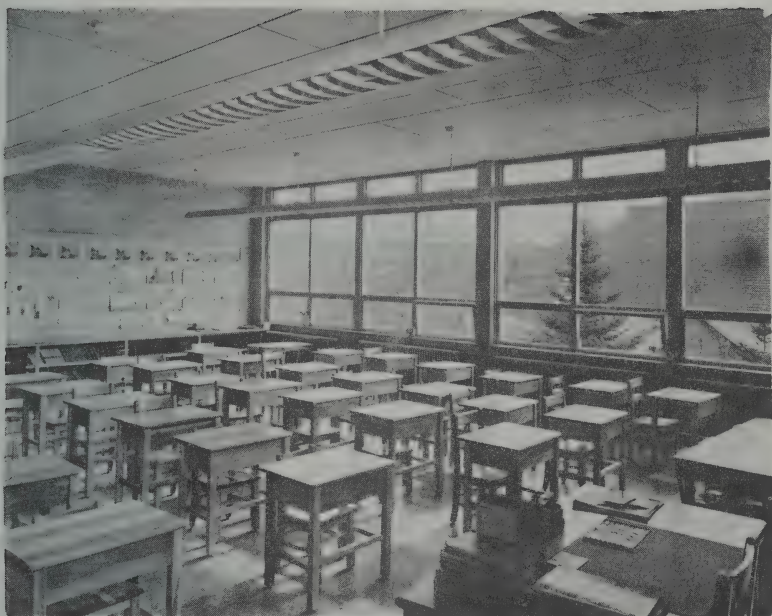

Again I wish to thank the Townspeople of Sunapee for the cooperation I received in my second year as Principal, and extend to them a cordial welcome to visit their school.

Respectfully yours,  
DAVID W. SHERBURNE  
Principal

An exterior view of the new addition — first occupied on November 1, 1953. The basement level provides a modern cafeteria and kitchen — the first floor level provides two elementary classrooms and a Teachers' Room.

An interior view of one of the two new elementary rooms. Each room has its own toilet, ample counter and shelf space and a work sink for primary activities.

A view of the new spacious cafeteria. This new facility greatly improves the operation of the school, as it is no longer necessary to use the Home Economics kitchen for food preparation or the Auditorium for serving the Hot Lunch.

## SUNAPEE SCHOOL WARRANT

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Sunapee qualified to vote in District Affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the ninth day of March, 1954, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear and act upon the reports of the School Board, Treasurers, Auditors, and Committees heretofore chosen.

Article 7. To see if the District will vote to raise and appropriate \$79,981.25, as recommended by the School Board in its annual report, for the support of schools, for the salaries of district officers, and for the payment of the statutory obligations of the district; and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income estimated at \$2,428.00, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 8. To transact any other business that may legally come before said meeting.

Given under our hands this 11th day of February, nineteen hundred and fifty-four.
